PROFESSIONAL SUMMARY

I have a Bachelor's degree in Information Systems and I trained in iOS Development at Tuwaiq Academy. I have experience leading teams and successfully managing projects to completion using technologies like React.js and Swift. I have contributed to notable projects such as https://eats-lgesw4bas-ehab7k.vercel.app/, kayoolnajd.com, and the Jaz App. I am passionate about learning new technologies and continuously improving my skills to develop innovative solutions.
